

# The Ocean in a High-CO<sub>2</sub> World

---

# Ocean Acidification

## 6th International Science Symposium

13–16 OCTOBER 2026 • TĀKINA WELLINGTON

## Application to Host a Workshop, Discussion, or Training Session

Each day of the Symposium will include an open period for 1 to 3 hours, which may include workshops, community discussions, or training sessions.

Where possible, we ask that organisations contribute to the cost of the room for their workshop, discussion, or training. However, we understand that this is not possible for all organisations.

If you or your organisation would like to host one of these, complete this form and submit it via the Symposium website using the appropriate submit button by 23 January 2026. Decisions will be announced by the first half of February 2026.

Need help? Email [highco2@confer.co.nz](mailto:highco2@confer.co.nz)

1. Name of the workshop, discussion, or training:

2. Name of the organisation or person hosting the workshop, discussion, or training:

3. Names, affiliations, and contact information of up to three organisers of the event:

## Organiser 1

Name: \_\_\_\_\_

Affiliation: \_\_\_\_\_

Email address: \_\_\_\_\_

## Organiser 2

Name: \_\_\_\_\_

Affiliation: \_\_\_\_\_

Email address: \_\_\_\_\_

## Organiser 3

Name: \_\_\_\_\_

Affiliation: \_\_\_\_\_

Email address: \_\_\_\_\_

4. Brief description of the workshop, discussion, or training (<200 words) and target audience:

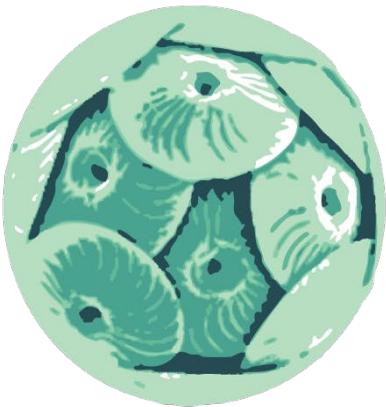

# The Ocean in a High-CO<sub>2</sub> World

## Ocean Acidification

### 6th International Science Symposium

13–16 OCTOBER 2026 • TĀKINA WELLINGTON

5. Please indicate which symposium themes your proposed session aligns with (select all that apply):  
 Ocean-based solutions  
 Beyond tipping-points – translating science to action  
 Working across knowledge systems in a high-CO<sub>2</sub> world  
 Technological advances in marine climate change research  
 Multiple stressors effects on marine organisms  
 Global-driven changes in biodiversity and ecosystem resilience  
 The modulating role of time - from short-term variability to evolution
6. How many attendees do you expect? \_\_\_\_\_
7. What is the maximum number of attendees you can host? \_\_\_\_\_
8. Will the session be open to all Symposium participants, or will it be invitation only?  
 Open, but subject to the caps specified above  
 Invitation only  
 Other (please explain) \_\_\_\_\_
9. What is the proposed length of the workshop, discussion, or training?  
 1 hour  
 2 hours  
 3 hours  
 Other (please explain) \_\_\_\_\_
10. What style of room do you prefer?  
 Lecture theatre  
 Banquet (round) tables (10 per table)  
 Board room  
 No preference  
 Other (please explain) \_\_\_\_\_
11. What are your AV requirements?  
 None  
 Screen and projector  
 Microphone for attendees  
 Podium with microphone  
 Other (please explain) \_\_\_\_\_
12. Where possible, we ask organisations to contribute to the cost of the venue space and provisions. Discussion, or training. Please indicate if your organisation can contribute to the cost of the space.  
 Partial contribution: NZD 1,200 (approx. USD 670; EUR 570)  
 Full space charge: NZD 2,400 (approx. USD 1,340; EUR 1140)  
 Other \_\_\_\_\_  
 Unfortunately, we cannot contribute to the space charge
